----	------------------------------------

03	45001:2018 <i>Safety</i>
----	-----------------------------

OTHER NON-ACCREDITED STANDARDS:

- Customer Satisfaction and Feedback
- Business Continuity Management
- Project Management, and etc.

Who?

**You have a company and aim to have a management system?
We Viscount Quality Certifications is the solution...**

The core business of Viscount Quality Certifications is to provide Third Party Certification and Training services of management systems for a number of International Standards that include ISO 9001:2015 (Quality Management System), ISO 14001:2015 (Environmental Management System), ISO 45001:2018 (Occupational Health and Safety Management System).

The trainings are generally short duration and interactive trainings and designed to create better understanding of the standards. Some of the training programs, like Exemplar Global accredited lead auditor courses are carried out in collaboration our training partner.

Why?

Why you have to choose Viscount Quality Certifications?

Viscount has reputed international and national accreditations from **ANAB and EIAC**.

VISCOUNT believes in building partnership with its customers to help them realize their **business objectives, continual improvement, sustainable development and create risk-based thinking approach**. Hence professional competency, ethical conduct and trustworthiness are important constituents of its value system adopted and nurtured by the management and employees of Viscount.

How?

Viscount provides its services through its qualified auditors having industry experience in diversified sectors.
